OUR ENVIRONMENTAL AND CONSUMER CREDENTIALS

We consider ourselves to be an ethical based manufacturer whose principles are founded on the reduction of our carbon footprint, a responsible approach to both quality and the satisfaction of our clients.

In meeting the former, we achieved national recognition via the Green Apple Award, further reinforced by obtaining the ISO 14001 & ISO 50001 standard.

Our Kitchens holds the prestigious FIRA Gold award, in recognition of quality & excellence within manufacturing.

BRITISH MADE

10-Year Guarantee

We are very confident within the quality of the kitchens we manufacture. In the unlikely event that any of the units prove defective as a result of faulty design, materials or manufacturing processes, during a period of ten years from date of purchase, we will replace or repair at our discretion, providing proof of purchase has been retained by the original purchaser. The guarantee applies to units & doors only and excludes colour fade, due to mellowing & sunlight.

Any claims must be made as soon as the fault becomes apparent by the original purchaser, through the retailer whom the product was purchased.

kitchen styles & designs for all tastes

Our kitchens not only offer market leading products we also offer superior styling through modern, contemporary, chic to a more traditional flavour from our extensive portfolio of designs.

Our award winning furniture, offers inspiration to every customer and designer to create a living space that will bring those dreams to reality.

Blum products and our kitchens...

... Why choose Blum

There are very few moving components within a Kitchen, therefore it makes perfect sense to include the very best fittings to ensure your kitchen operates as well in twenty years time, as it does the day it is installed.

This is why our kitchens offers Blum fittings as an option

Blum are widely regarded as manufacturing the best, most innovative kitchen fittings within the industry. Founded in 1952 in Austria, Blum has grown into a €1.55 billion business trading in more than 120 countries around the world.

Blum fittings are not only meticulously engineered to perfection, they are aesthetically designed to harmonise with our furniture.

Why we use Blum... We use Blum hinges, drawer boxes and lifting mechanisms quite simply, because they are, in our opinion, the very best money can buy and harmonise perfectly within our kitchens.

Blum are masters of engineering, to such an extent that their products are ultra-reliable, hence the lifetime warranty they place upon their fittings.

What more can you demand from a product?

**“Reliability,
Strength,
Longevity
and Sleek Design”.**
Blum has it all!

Blum Lifetime Guarantee

Such is Blum's confidence with their manufacturing excellence, in the unlikely event of any defect occurring within a Blum fitting, they will replace it free of charge, regardless of its age.

LAMINATE WORKTOPS

One of the, or arguably the most important element of the kitchen is the worktop; it must live up to the everyday demands of kitchen life while also looking spectacular. Our collection of work surfaces offers a versatile choice of designs as well as performance characteristics. From characterful marble prints made of Aeon technology to square edge rustic timbers, there is a worktop solution suitable for every kitchen environment.

ACCESSORIZE THE LOOK

Co-ordinating splashbacks & upstands are an effective way to complete and enhance your kitchen design. They also remove the need of tiles saving you installation and maintenance time and money.

Coco Bolo

LOOK & FEEL REAL

This year's trends see surfaces go natural, from rustic timber designs entwined with knots to characterful stone designs enriched with intricate detail. Our worktop range boasts many of the best 'natural' designs brought to life by realistic surface textures.

Designer Black

SUPERIOR PERFORMANCE

For high volume traffic kitchens the durability of a worktop is key, for this reason we have launched a range of Aeon technology **enhanced performance laminate worktops**. With **3-5X more wear, scuff and scratch resistance** than a standard laminate combined with **improved clarity, colour and fidelity**, you can count on these surfaces to look newer, longer.
